STUDY ABROAD OPTIONS

In addition to studying with peers from all over the world, students enrolled in the full-time BFA and BBA programs at École Parsons à Paris have the possibility to study abroad during their junior year at one of the schools in our Exchange Network. In order to participate, students must be in good academic standing and apply during the spring semester of their sophomore year. Students are not permitted to spend their fourth and final year on exchange. Due to the École Parsons à Paris residency requirement, students who have transferred to École Parsons à Paris at the junior level may not participate in this program.
